Paper Title: P8. Using Fougara for heating and cooling buildings in Sahara

The MEDGREEN Society is pleased to inform you that your paper has been accepted for **Oral presentation** at the MEDGREEN 2011-LB conference. The conference will be held from 14 to 16 April 2011 in Beirut, Lebanon.

You are kindly requested to prepare the final version of your paper following the reviewer(s) comments and submitted before the 1st of March 2011 in order to have it published in the Energy Procedia journal (Elsevier-Science Direct)

The organizing committee has negotiated special prices with two hotels that could be found on the MEDGREEN website. Shuttle buses services from/to these Hotels to the conference **will be provided for Free**. We recommend you to book your hotel room before the 5th of March 2011 in order to benefit from this rate.

This letter is being sent to you for possible financial support from your department, as well as for Visa grant.

Sincerely yours,

Chafic SALAME, Ph.D
Prof. Dr. Physics (Lebanese University)
